DISTRICT GOALS FOR THE 2020-2021 SCHOOL YEAR

1. Continue to build upon our NJDOE “high performing” designation after successfully completing the 2019-2020 QSAC process in the areas of curriculum and instruction, personnel, operations, governance and finance.
2. Provide resources to the staff and students that includes technology and professional development so they can succeed and continue to grow during in person and virtual learning during a pandemic.

BOARD OF EDUCATION GOAL FOR THE 2020-2021 SCHOOL YEAR

1. Work in collaboration with the CSA to develop an educationally sound relationship both in person and virtually for our students during a pandemic.
