January 8, 2021

Dear Hope School Community,

We would first like to thank our school community and staff for their patience and understanding as we continue to work together through these unrepresented times in the interest of everyone's safety while we are currently in the "Orange" or "High Risk" category for our region and the State of New Jersey.

Thank you also for your quick response in regards to the student selection form that was sent out on Monday that has allowed our staff to prepare. Our dedicated staff is excited to resume in person instruction starting on Monday, January 11<sup>th</sup>. Please also know that the parent feedback survey data that was submitted by those who chose to complete it in December, was also considered as we prepare to reopen.

Please refer to the information below for some very important information that will take effect starting on Monday, due to the continuation of an environmental remediation project on site.

- **K-8 Student Drop off / Pick up**
  - o If you will be driving your child(ren) to school, please drop them off at the first set of Gym doors as you enter the lower parking lot. Students will be released to their parents/guardians through the same doors at dismissal.
  
- **Before and after school care (Campbell's Kids Club)**
  - o Drop off / pick up at the bus loop doors. You may park in the bus loop while dropping off and/or picking up your child(ren).
  
- Please also refer to the attachment that was sent home yesterday and posted on our school web page in regards to:  
***Testing of ill children suspected of having COVID-19 prior to return to school.***

Yours in Education,

Kevin Newman
