GOVERNOR

April 12, 2021

Dear Friends,

Congratulations on achieving 100 Days of in-person learning! I am delighted to commend Hope Township School administrators, faculty, staff, students, and all those associated, as you celebrate such a significant milestone.

Because of the vigilance and dedication demonstrated by each and every one of you, it is no wonder that New Jersey's public schools system has been ranked one of the best in our nation.

And while our State, and our country, continue to push back against the current and unprecedented global pandemic, your steadfast commitment to ensure a safe and successful school year, is noteworthy and appreciated.

Congratulations, again, and best wishes for continued success and good health!

My very best,
