2021-2022 Hope Township School Educational Services Professional of the Year

Mrs. Shelly Woodward

Mrs. Woodward is a dedicated instructional paraprofessional who constantly goes out of her way to help any student or staff member. She takes the time to get to know the students and staff that she works with to fully support them.

Mrs. Woodward has the ability to be placed in any classroom or learning environment and succeed in helping the students that she serves. She constantly checks in with the office staff and classroom teachers that she will be working with on any given day prior to the student's arrival.

Due to her interest in a variety of educational topics she is able to supplement interesting information on to her students. Mrs. Woodward is a wealth of knowledge and key asset to the staff and students of Hope Township School!
